Parry McCluer High School
2329 Chestnut Avenue
Buena Vista, Virginia 24416

We have lived in a time of bitter frustration and conflict. We have witnessed war, poverty, racial discrimination and drug addiction. Many spectacular events have occurred in our lives which have seemingly brought us together. We the students at Parry McCluer may be small in number but when the going gets rough, we join together as a mighty army, uniting as one. "United We Stand, Divided We Fall".

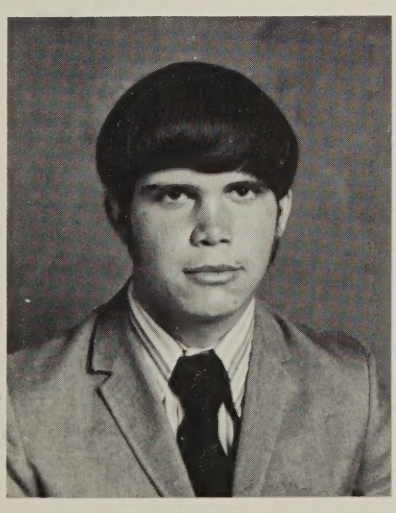
DEDICATION

Steven Burton Breedlove
November 21, 1954-March 13, 1972
He was a letterman in football. He was a member of the Monogram Club and the Fellowship of Christian Athletes. He was a quiet fellow who kept to himself, enjoying the simple things in life—Butch.



We, the 1973 yearbook staff of Parry McCluer High School present in dedication the 1973 Parrimac to the greatest student body that ever walked the halls of Parry McCluer. This book is presented to you, the students, in honor of Gary Michael Davis and Steven Burton Breedlove. These two represented what our student body is. We hope that you will remember the contributions made to our school by Mike and Butch.

Time it was
And what a time it was,
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories:
They're all that's left you.
—Paul Simon

Gary Michael Davis

He was a letterman in football, basketball, and track. He was a member of the Monogram Club and the Fellowship of Christian Athletes. He always did his best in everything that he set out to do. Friend to all—Mike.

Together—Seniors

Hail and farewell, oh seniors great!
From first through twelfth
  Was one long date.
For all these years we've been together,
Through fair and foul, and mixed up
  weather.

Now that it's time to say adieu,
I find, I fear, I'll be missing you.
Come what may, I wish each one
A useful and happy place in the sun.

You'll make it, I know,
Through life's tricky maze.
I've watched you grow.
Good luck through yours days.

SCA has rap sessions to begin campaigning for '73-'74.

The Student Cooperative Association has put forth much effort this year to offer better services to the student body. Among the accomplishments achieved: a new water fountain, payment of one half the cost of handbooks and a $150.00 scholarship. The American Legion also donated an American flag for the gym and the SCA was responsible for it being hung. The SCA had a good year but let's make this year even better.

This year's Honors Course was most interesting as a study of "You And The World Today" was made. Under the direction of Rev. and Mrs. William McDermott, the group took several field trips which they felt were most beneficial. Included in these were two plays performed at the Troubadour Theater and a mock trial in which the group served as the jury. The students in the course were furnished with Time magazine which was used as a textbook. The group felt this was a very informative and helpful class.

Mr. and Mrs. McDermott made Honors Course interesting.

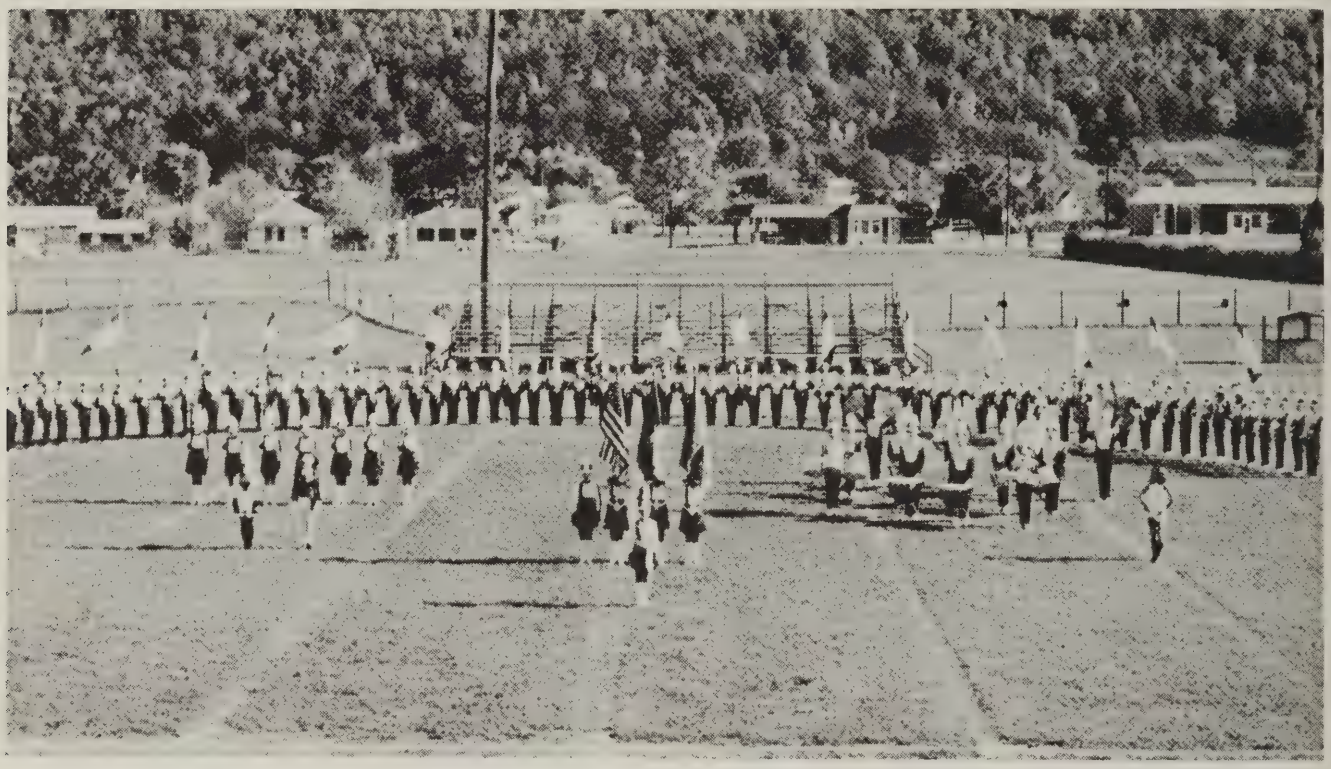
THE MARCHING BLUES



The 1972-'73 Marching Blues . . . composed of approximately 75 players, 11 drummers, 29 color guard, 1 twirler, and 2 drummajors, Under the direction of Mr. Landon Temple, our band has created a big sound in our community.

The Parry McCluer Marching Blues under the direction of Landon S. Temple, Jr. made this their best year ever. The band performed for all of the school football games. They also sponsored the first Buena Vista Band Day. First place wins included Charlotte Thanksgiving Parade, Lexington, Buena Vista, and Bedford Christmas Parades. A Christmas concert was also on the groups schedule. However the biggest event for the band was the honor of representing Virginia in the Festival of States in Florida. This group has truely made true the saying "Music in Motion."

Mr. Temple makes final plans for Florida.

Jeff, our drum major, always looking up with determination.

Theresa, Danita, LeAnn, Laureen, Paula, Pat, Mary, Lori, Karen, Andy, Brenda, Kathy, Eileen, Jan, Ruth, Pam and Nancy all contributed to the band's success.

The "good ole" Vinoy Park will never be the same after the Festival of States.

How does the world look from that angle, Trish?

"Mr. Mayor, that wasn't funny at all!"

On April 1-10, The Marching Blues participated in one of the greatest band festivals known! At all times the band displayed high spirit and spread good cheer from Virginia. Fun was a key word on this trip! Everyone had a great time and this was an experience that the Marching Blues will never forget. Friends were made wherever they went and memories of this trip surely make them feel like the "Pride of the Commonwealth."

CROSS COUNTRY

The Parry McCluer Cross Country Team, in only its second year of existence, posted an outstanding record for the 1973 season. In the State Group A Meet at William and Mary, the "Blues" were unable to dethrone Rappahannock County as State Champions, but did succeed in capturing the Runner-up Trophy by a wide margin. Auburn, whom Parry McCluer had earlier routed in winning the Regional Championship, claimed the third place trophy in the State event.

Thus, in only the second year of its existence, the Cross Country program chalked up a 6 victory, 2 loss regular season, capped with a Regional Championship, and a State Second Place.

Junior Kevin Cropp and Freshman Eddie Bowyer led the harriers, and will return, along with Tony Black, Ricky Douglas, Curtis Smith, and Mark Hamric, for still another campaign which they expect to culminate in a State Championship.

As the final event of their season, the team captured the plaque as the top team of the area in the Annual Lexington-Buena Vista Road Race.

Certainly 1973 was one of Parry McCluer's finest track seasons—possibly the best ever! Overall, the PM thinclads scored 1200 11/12 points in 1A meets! Coasting to easy victories in both the district and regional meets, the Blues journeyed to Lynchburg eager to bring back a State Championship. They made a valiant effort but were forced to settle for 3rd. place for the second year in a row.

To Chittum Insurance one chap did go to report his small mishap of a completely totaled car. McCormick Insurance granted their services to several parents wanting protection for their families.

A newer addition to the economy of the prospering community of Natural Bridge, Va.

We may be small but we serve all citizens of Buena Vista seeking out help.

Faster more efficient service with new computerized banking at Lynchburg Federal.

Bonnie and Clyde could have really made the scene in Rockbridge County. Lynchburg Federal Savings & Loan in Lexington could have been a first choice with The First National Exchange Bank of Buena Vista running a a close second. And as they traveled over the hill to the Bank of Natural Bridge, they made their plans to deposit the money.

Virginia National Bank located on 21st Street is now the largest bank in Buena Vista and a branch of the largest banking system in the state of Virginia. Many students parents work at this bank where you can get friendly service and free matches!
